I understand that: (a) openings are available on the Association’s Board of Directors and that the candidates who receive the greatest number of votes will be elected; (b) the Board is charged with the responsibility of governing the affairs in accordance of the Association per the governing documents; and (c) the Board must make its decisions based on what is in the best interest of the community as a whole, not in the interest of any individual owner, and I believe I can make a contribution to this decision-making process.
